3

Zorg ervoor dat de aarde draad recht door de twee snijbladen loopt en de aardklem goed aangedrukt wordt, zodat de huls van de aardedraad zeker doorgesneden wordt

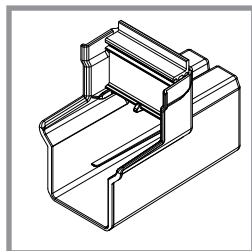

## Benodigde onderdelen

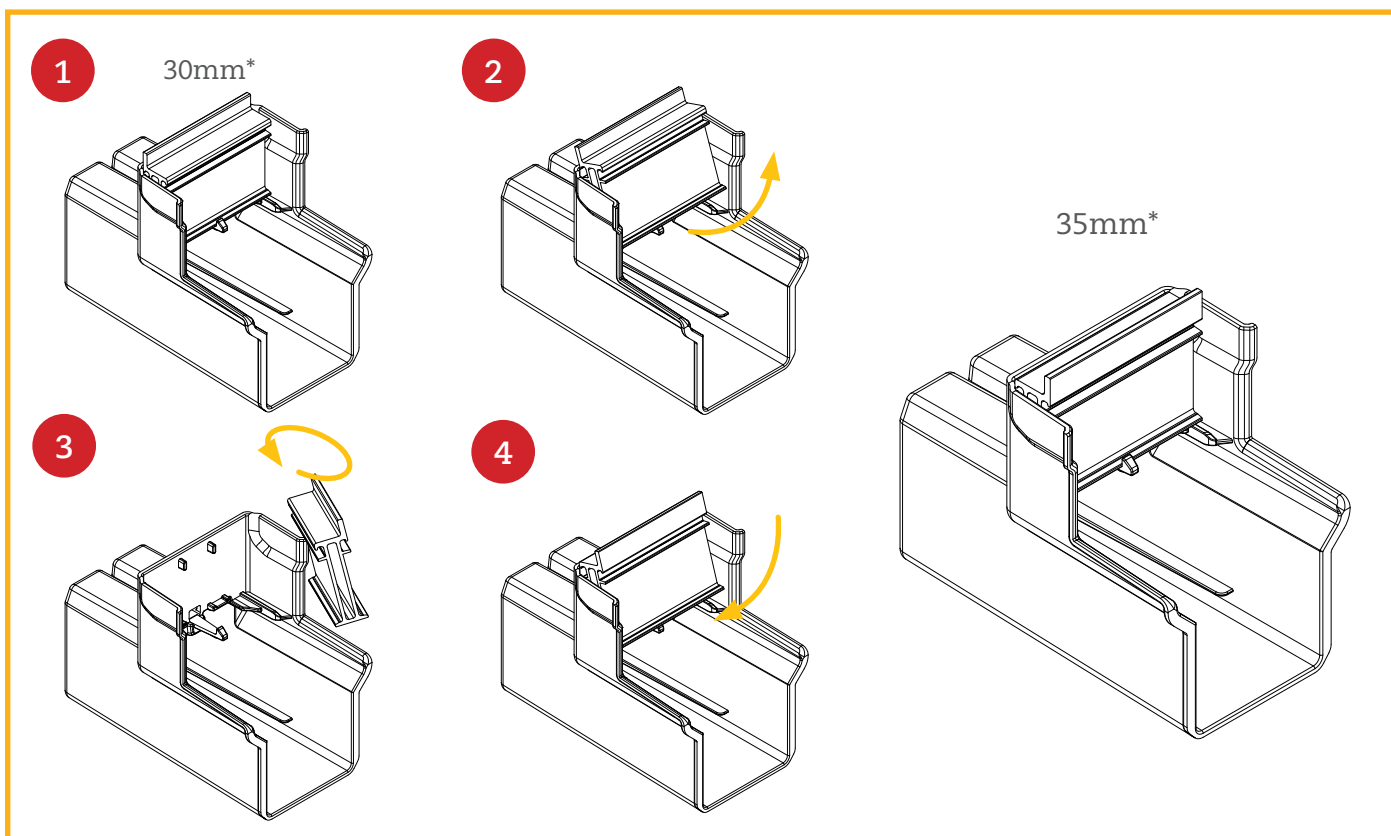

770230 (30mm)  
ValkGrip

770235 (35mm)  
ValkGrip

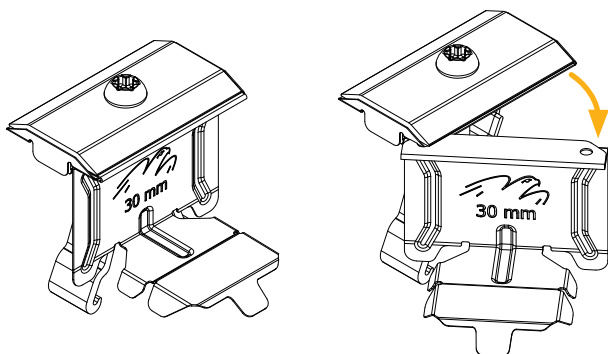

771030  
ValkAce+ - eindkap

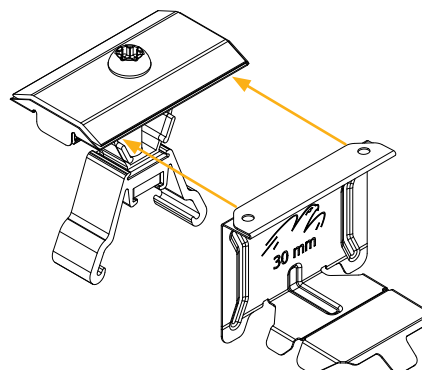

## ValkGripClip losmaken

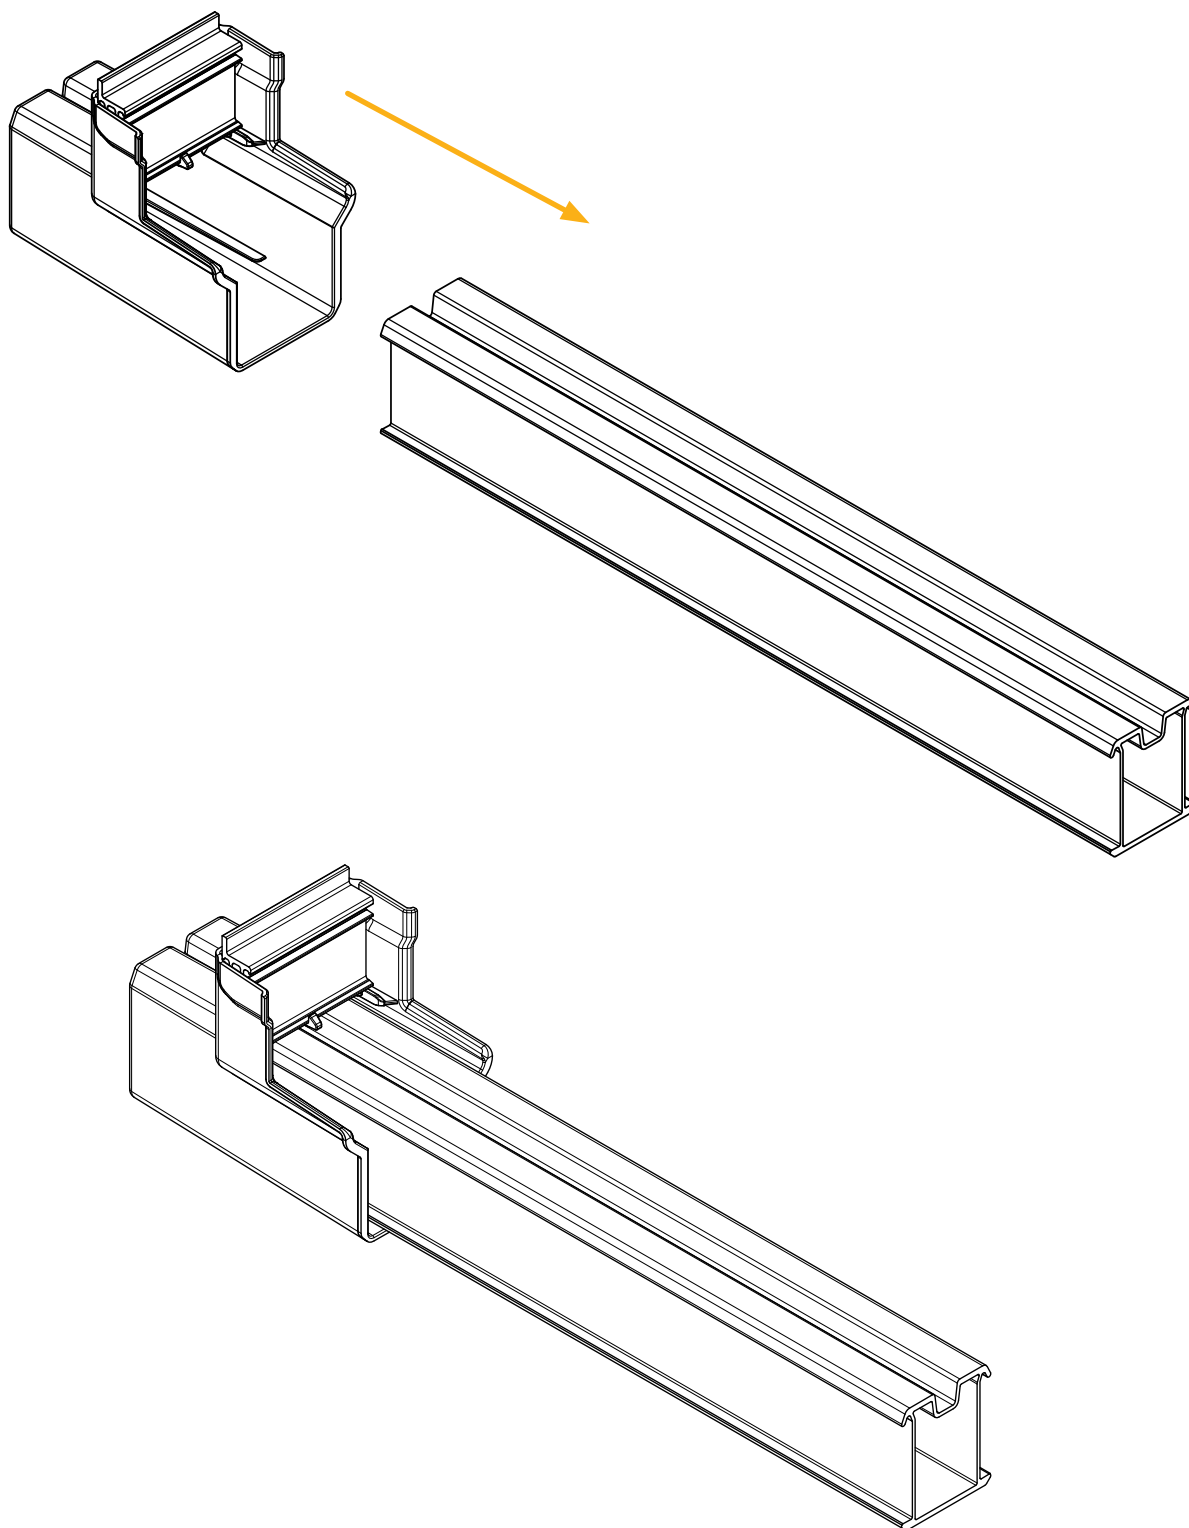

Draai de ValkGripCLip uit de middenklem. Dit doe je door aan de zijkant van de clip te trekken, zoals hieronder weergegeven. Het losmaken van de clip kan wat kracht vereisen, maar de clip zal niet breken.

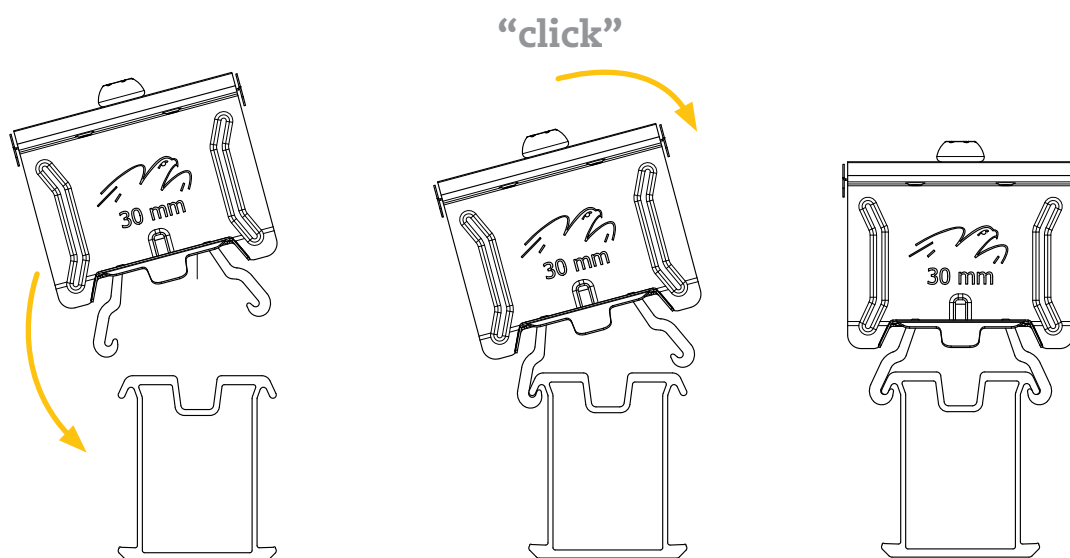

## ValkGripClip bevestigen

739065  
ValkAce demontage  
gereedschap

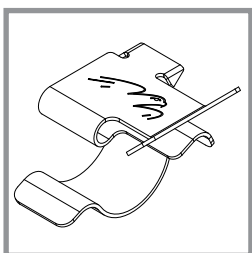

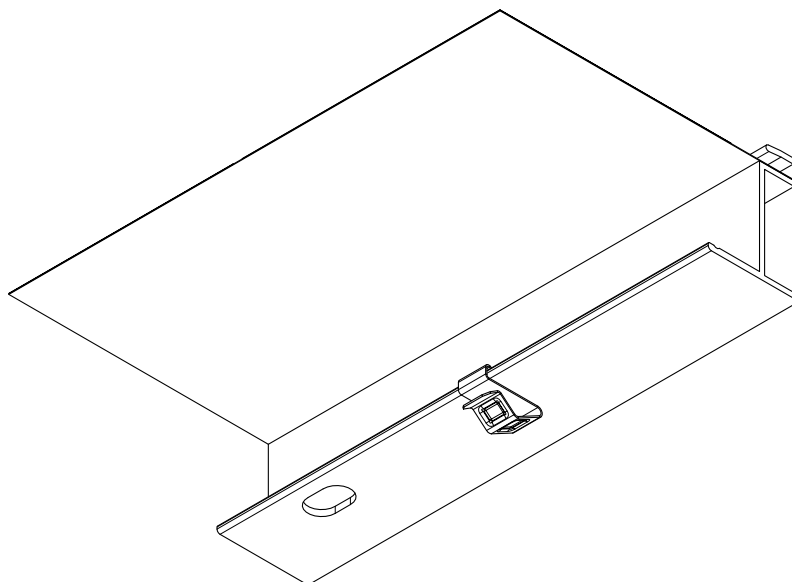

De ValkGrip kan worden gedemonteerd met de Demontagetool (739065) . Licht de klem aan de ene kant iets op met de duim zodat deze met behulp van de demontagetool gemakkelijk los komt van het profiel.
